Disability Rights Louisiana Announces Early Voting Accessibility Hotline for June 2026 Election

NEW ORLEANS, LA — Disability Rights Louisiana (DRLA) is encouraging voters across Louisiana to contact its voting hotline if they experience accessibility barriers or issues while participating in early voting for the June 2026 election.

Early voting will take place June 12–20, 2026, excluding June 14 and June 19. During the early voting period, Disability Rights Louisiana’s voting hotline will be available from 9:00 a.m. to 5:00 p.m. Monday through Friday.

Voters can call or text: (504) 434-4680

The hotline will accept reports of accessibility concerns and barriers experienced by voters throughout Louisiana. Disability Rights Louisiana encourages voters with disabilities, older voters, and any voter experiencing barriers to contact the hotline for support and information.

Every eligible voter deserves equal access to the ballot box. Our goal is to help ensure that voters across Louisiana are able to cast their ballots safely, independently, and with dignity.

Disability Rights Louisiana is Louisiana’s federally designated Protection and Advocacy agency and works to protect and advocate for the rights of people with disabilities throughout the state.
